

BREAST CANCER RESOURCES

Breast Cancer Awareness Association

The mission of the Breast Cancer Awareness Association (BCAA) is educational and inspirational: to fulfill the needs and desires of survivors, families and friends for information on the broad spectrum of breast cancer treatment and support services in Minnesota.

www.bcaamn.org

The Breast Cancer Site

The Breast Cancer site offers free mammograms to underprivileged women nationwide.

www.thebreastcancersite.com

BreastCancer.Org

BreastCancer.org is dedicated to providing the most reliable, completed and up-to-date information about breast cancer.

www.breastcancer.org

The National Breast Cancer Foundation

The National Breast Cancer Foundation is dedicated to providing information and education to women about breast cancer. Their mission is to save lives by increasing awareness of breast cancer through education and by providing mammograms to those in need.

www.nationalbreastcancer.org

The American Cancer Society

The American Cancer Society is a nationwide community-based voluntary health organization dedicated to eliminating cancer as a major health problem by preventing cancer, saving lives, and diminishing suffering from cancer, through research, education, advocacy, and service.

www.cancer.org

Y-ME National Breast Cancer Organization

The mission of Y-ME National Breast Cancer Organization is to ensure, through information, empowerment and peer support, that no one faces breast cancer alone.

www.y-me.org

The National Breast Cancer Coalition

The National Breast Cancer Coalition's trained advocates have lobbied at the national, state and local levels for public policies that impact breast cancer research, diagnosis and treatment.

www.natlbcc.org

Breast Cancer Action

Breast Cancer Action carries the voices of people affected by breast cancer to inspire and compel the changes necessary to end the breast cancer epidemic.

<http://www.bcaction.org/>

The Breast Cancer Research Foundation

The Breast Cancer Research Foundation's mission is to achieve prevention and a cure for breast cancer in our lifetime by providing critical funding for innovative clinical and genetic research at leading medical centers worldwide, and increasing public awareness about good breast health.

www.bcrfcure.org

Living Beyond Breast Cancer

Living Beyond Breast Cancer assists women at all stages of diagnosis, treatment and recovery. Their mission includes offering specialized programs and services for the newly diagnosed, young women, women with advanced breast cancer, women at high risk for developing the disease, and African-American and Latina women.

www.lbbc.org

The Breast Cancer Fund

In response to the public health crisis of breast cancer, the Breast Cancer Fund identifies and advocates for the elimination of the environmental and other preventable causes of the disease.

www.breastcancerfund.org

WIN Against Breast Cancer

WIN Against Breast Cancer is dedicated to increasing public awareness about breast cancer and ensuring that individuals from all cultural and socioeconomic backgrounds receive equal and rapid access to quality health care based on evidence-based treatment guidelines and state-of-the-art support, education and information about the disease.

www.winabc.org

The Hope Chest for Breast Cancer

The Hope Chest for Breast Cancer's goal is simple and clear – to completely eliminate breast cancer. They have created an advocacy program to fund the research, early detection, treatment and hospice care of people living with breast cancer. The program serves those who have inadequate or no health insurance. Working together with a team of executives, they have nurtured a comprehensive plan that allows you to help us heal our world - ultimately unlocking the treasures of hope.
